## General Engineering Requirements for Design & Construction of Pressure Piping Systems

This form shall be completed in triplicate and submitted with specifications and prints of designs in accordance with the Saskatchewan Boiler and Pressure Vessel Safety Act and Regulations.

Trobbaro vocati Garaty Flot and Flogulations.				
I. General Information				
Ultimate Owner:				
Address:				
Design Engineered by:	(City, Prov)	(Postal Code)		
Address:  (Apt/Street)	(City, Prov)	(Postal Code)		
Certificate of Authorization Number:				
Contractor:	Contractor's QCP Reg. No.			
II. Plant Information				
Type of Plant:				
Location of Plant:  (Sec., TWP., Rge)				
Plant Previously Registered Under PP:		_		
Construction – (tentative start and end date):				
Start Date: End Date:	(Month / Year)			
Pressure Piping to Comply with ASME Code: ASME B31.1				
List of documents with revision #'s (if additional space is required, use supplemental sheets) P&IDs, PSV and Line Lists, Specifications for pipe, valves & all fittings included in the scope of this piping design registration. If documents are listed on supplemental sheet. record the supplemental sheet numbers in this space.

II. Plant Information (cont'd)			
Welding Procedure Reg. No. WP.		<u>-</u>	
Are all fittings suitable for the specific design service conditions?	Yes		
Are all categories D, E, F & H fittings registered with our department?	Yes F	Pending	
Are pressure equipments protected by pressure relief valves? Yes O	r if by other m	neans, details	provided, Yes
Non-Destructive Examination. Specify type and extent of examination, for examination, etc.	example, 100	% or % radioç	graphy, magnetic
Pressure Piping Test Procedure for other than Hydro test SUBMITTED	Yes F	Pending	N/A
Comments:			
		D 5 0	
By applying my stamp/seal and signature to this document,		P. Eng S	tamp
I, accept responsibility			
for the piping design in accordance with (Code/Edition/Addenda) and			
The Saskatchewan Boiler and Pressure Vessel Act & Regulations.			
IV. Office Use Only			
Registration Number:	(MM DD YYYY)	Initials:	:
